

SEACRUZERS

Everything You Need

About Us

- Seacruzers India, established in 2017, is a socially driven organization committed to empowering tribal and underprivileged communities across India. Our mission is to bridge developmental gaps through strategic partnerships with corporates and non-governmental organizations (NGOs).
- Since our inception, we have been actively engaged in initiatives that enhance health, hygiene, and education in rural and tribal regions. By working closely with our partners, we design and implement impactful programs that promote sustainable community development.
- In parallel with our social work, Seacruzers India also offers corporate administrative solutions and office setup services, helping organizations optimize their operations with efficient and cost-effective support.
- Our dual focus on social impact and corporate services, positions us as a unique and versatile partner for companies and institutions seeking a meaningful difference while enhancing their internal capabilities.

Vision Statement

“To be a leading force in driving inclusive development across India, fostering sustainable community upliftment and becoming a trusted partner for corporates in delivering both social impact and operational excellence”.

Mission Statement

To empower tribal and underserved communities across India by delivering impactful health, hygiene, and educational initiatives through strategic partnerships with corporates and NGOs, while providing reliable administrative and office infrastructure solutions to support organizational growth.

SUSTANABLE DEVELOPMENT EDUCATIONAL PROJECTS

EDUCATIONAL PROJECTS

SCHOOL KIT DISTRIBUTION

KIT INCLUDES (CUSTOMISED)

SCHOOL BAGS NOTEBOOKS DRAWING BOOK
PEN-PENCILS GEOMETRY BOX COLOURS
EXAM PAD
ETC

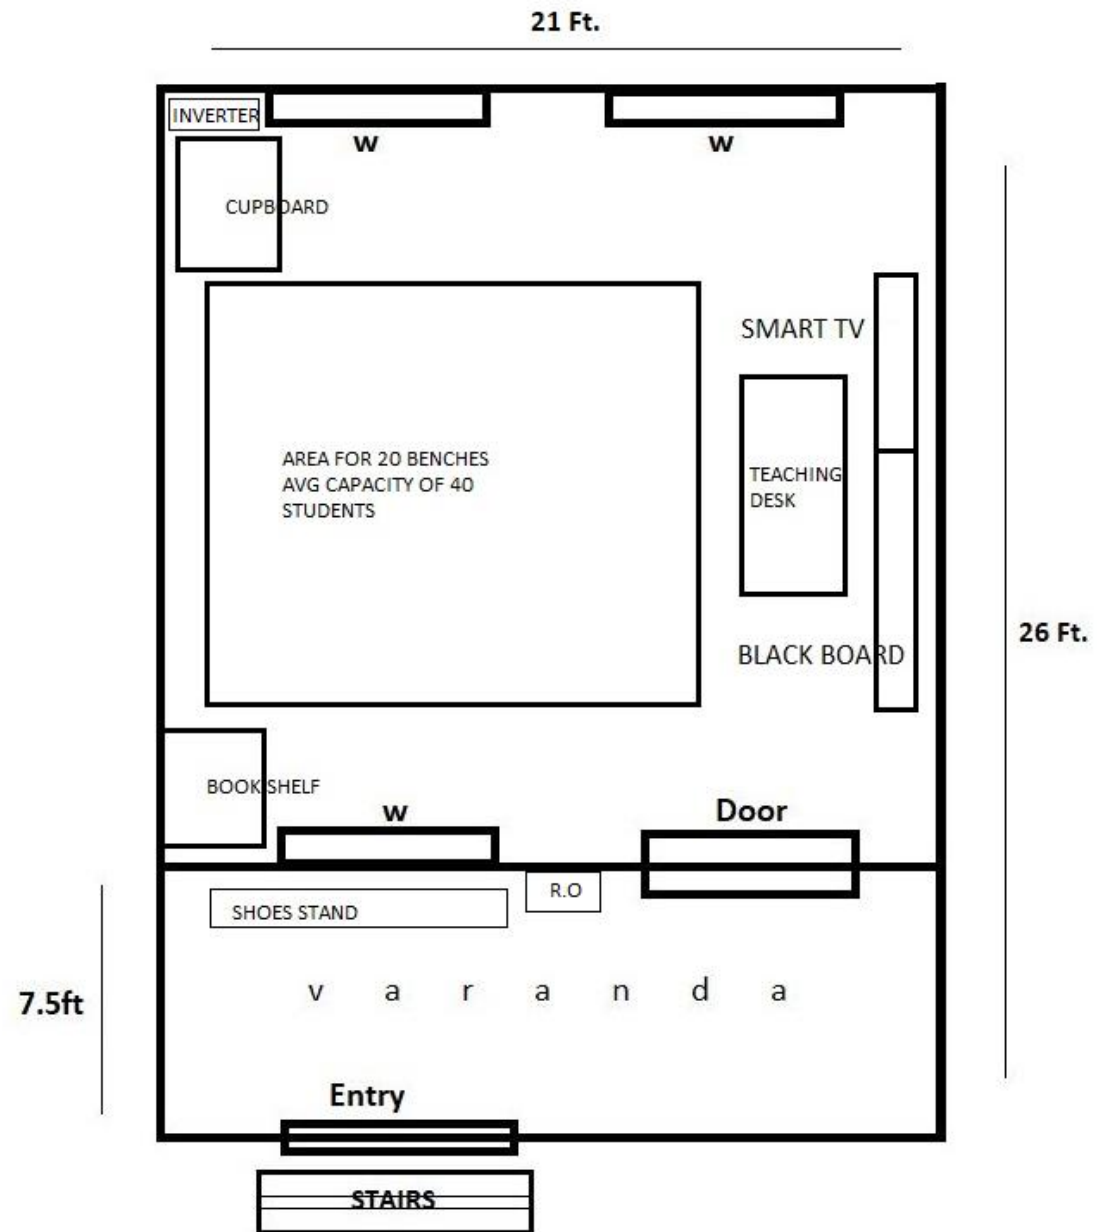

2- SMART CLASSROOM & E- LEARNING

EDUCATIONAL PROJECTS

- **Enhanced Engagement:** Interactive technology, such as smart boards and tablets, make lessons more dynamic and engaging, capturing students attention more effectively.
- **Personalized Learning:** Smart classrooms can facilitate differentiated instruction, allowing educators to tailor lessons to meet individual student needs and learning styles.
- **Access to Resources:** Students can easily access a wealth of information and educational resources online, broadening their learning opportunities beyond textbooks.
- **Collaboration:** Technology enables better collaboration among students, allowing them to work together on projects in real time, whether in-person or remotely.
- **Real-Time Feedback:** Educators can use tools that provide instant feedback on student performance, helping them adjust their teaching strategies on the fly.
- **Improved Communication:** Smart classrooms often integrate communication tools that allow for better interaction between teachers, students, and parents, fostering a supportive learning environment.
- **Preparation for Future Careers:** Familiarity with technology and collaborative tools prepares students for the modern workforce, where digital skills are essential.

SMART CLASSROOM & E- LEARNING

- Smart Tv With Complete Latest Digital Syllabus With Lifetime Validity
- Ro Purifier & Other Accessories
- Full Customization Available

3- COMPUTER LAB SETUP

COMPUTER LAB

- **Access to Information:** Students gain access to a vast array of educational resources, research materials, and learning platforms online.
- **Skill Development:** Students can learn essential computer skills that are increasingly important in the job market, including coding, digital literacy, and basic troubleshooting.
- **Enhanced Learning:** Interactive learning tools and educational software can make subjects like math and science more engaging.
- **Improved Educational Outcomes:** Access to technology can help bridge the educational gap, providing students with opportunities for self-paced learning and access to advanced coursework.
- **Teacher Support:** Teachers can use technology for lesson planning, grading, and professional development, improving the overall quality of education.
- **Community Development:** A computer lab can serve as a resource for the wider community, offering access to technology for adults, seeking to improve their skills.
- **Collaboration Opportunities:** Students can collaborate on projects with peers from other regions, fostering teamwork and communication skills.
- **Preparation for Future Careers:** Familiarity with technology prepares students for higher education and various career paths, especially in an increasingly digital world.
- **Encouragement of Creativity:** Access to software for graphic design, video editing, and other creative tools can foster innovation and artistic expression.
- **Remote Learning Opportunities:** In cases of emergencies or disruptions, students can continue their education through online classes.

Computer Lab is specific project which will be only quoted after understanding the nature of requirements.

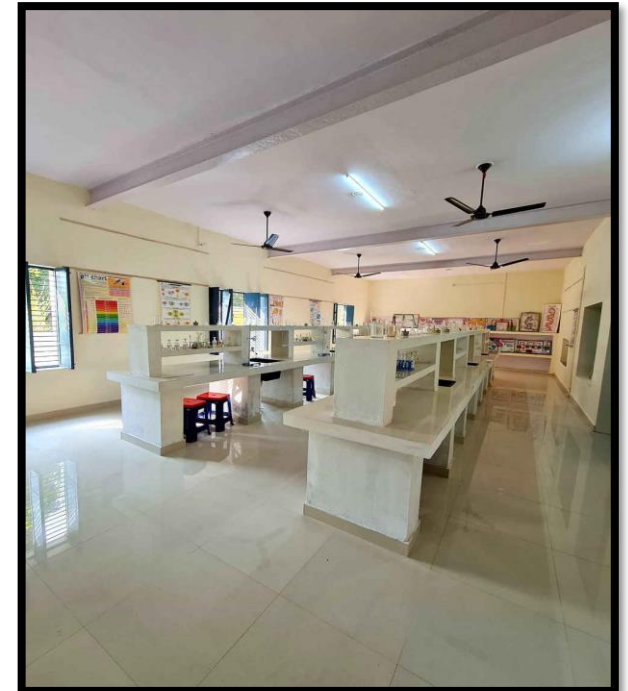

COMPUTER LAB

(CUSTOMISED)

- Only original material will be provided for the better structure of science lab.
- Furniture option is available for both computer and science labs for stands, cupboard etc.
- All the computer lab related equipment are latest in technology and update
- Per Lab we provide 5 computer with 1 lab table (15ft).
- Stabilizer will be provided due to electricity voltage issues in rural areas .
- Inverter option is also available.

- LENOVO 21.5" LED SCREEN
- INTEL CORE i3 12th F gen
- 512gb SSD
- 16GB RAM
- DELL MOUSE KEYBOARD
- COMPACT CABINET
- UPS
- ANTI VIRUS
- 2GB GRAPHICS CARD

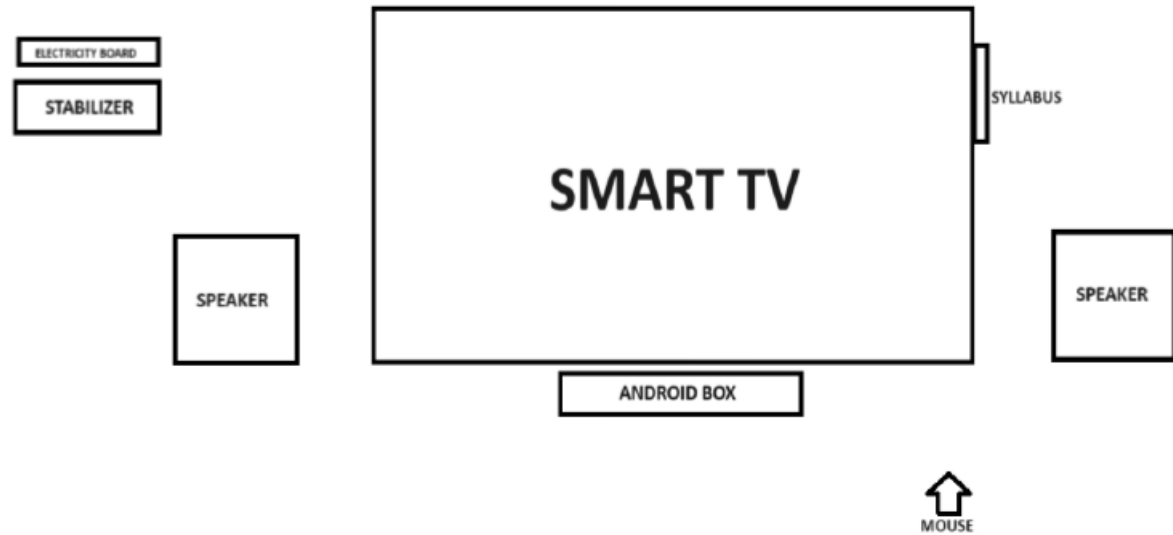

4 E-LEARNING

- **Flexible Learning** – Learn anytime, anywhere, at your own pace.
- **Cost-Effective** – Reduces travel, accommodation, and material costs.
- **Accessible to All** – Reaches learners in remote or underserved areas.
- **Time-Saving** – Eliminates commute and allows for shorter, focused learning sessions.
- **Consistent Quality** – Delivers standardized content to all learners.
- **Personalized Learning Paths** – Adapts to individual learning styles and progress.
- **Technology-Driven Engagement** – Uses multimedia simulations and interactive tools for better understanding.
- **Self-Paced Learning** – Empowers learners to control their progress and revisit content.
- **Easy Tracking and Assessment** – Monitors learner performance through data and analytics.
- **Environmentally Friendly** – Reduces paper use and carbon footprint associated with traditional classrooms.

E-Learning Setup Demo

- Z.P schools usually have a voltage issue so we generally provide them a stabilizer for good health of gadgets.
- Installation charges are different for different locations with minor difference.
- We usually split the syllabus for better cost saving of corporates, which result in more benefits for students.

SUSTANABLE DEVELOPMENT
HEALTH & HYGIENE PROJECTS

HEALTH & HYGIENE
PROJECTS

1- SANITARY PADS & HYGIENE KIT DISTRIBUTION

Objective:

To raise awareness about menstrual hygiene and promote the use of good-quality sanitary pads among adolescent girls and women in underserved communities.

- Menstruation is Natural – So is the Right to Hygiene.
Break the silence. End the stigma. Menstrual health is a basic human right.
- Good Hygiene = Good Health.
Safe, high-quality sanitary pads help prevent infections and support overall well-being.
- Educate to Empower.
Awareness and education are the first steps to create confident, healthy young women.
- No girl should miss school because of her period.
Provide access to sanitary pads and ensure equal opportunities in education.
- Support Women. Strengthen Communities.
When women thrive, communities grow stronger, healthier, and more inclusive.

ACTIVITIES

- Workshops and Awareness Sessions in schools, villages, and community centers.
- Free Distribution of Sanitary Pads to those in need.
- Educational Materials in local languages (flyers, posters, videos).
- Community Engagement involving parents, teachers, and local leaders.
- Social Media Campaign using hashtags like #PeriodPositivity #MenstrualHygieneMatters.

How Good-Quality Sanitary Pad Distribution Helps Society

- Promotes Menstrual Hygiene – Ensures safe and hygienic practices, reducing infections and health risks.
- Improves Women’s Health – Prevents reproductive tract infections (RTIs) and other health complications.
- Reduces School Dropout Rates – Helps adolescent girls stay in school by managing menstruation with dignity.
- Boosts Female Participation – Enables women and girls to confidently engage in education, work, and social activities.
- Breaks Menstrual Taboos – Encourages open conversations around menstruation, reducing stigma and shame.
- Supports Gender Equality – Empowers women by addressing a basic yet often overlooked health need.
- Improves Productivity – Allows women in rural and working communities to manage menstruation without hindrance.
- Reduces Healthcare Burden – Prevents long-term complications, reducing the need for medical treatment.
- Fosters Community Awareness – Engages families and communities in promoting women's health and well-being.
- Drives Sustainable Development – Aligns with national and global goals for health, education, and gender equity.

SANITARY PADS & HYGIENE KIT DISTRIBUTION

(CUSTOMISED)

96 SANITARY PADS

2 SOAPS

1 HAND TOWEL

4 PANTIES

HEALTH & HYGIENE PROJECTS

2- CONSTRUCTION & RENOVATION OF HOSPITALS (PRIMARY HEALTH CENTER)

Objective:

To improve access to quality healthcare services in rural and underserved areas by constructing new Primary Health Centers (PHCs) and renovating existing facilities to meet modern healthcare standards.

Project Scope:

- Construction of New PHCs in areas lacking basic healthcare facilities.
- Renovation and Upgradation of existing PHCs to improve functionality, hygiene, and patient capacity.
- Infrastructure Development including:
 - Consultation rooms
 - Maternity and delivery wards
 - Waiting areas
 - Pharmacy counters
 - Basic laboratory facilities
 - Sanitation and water supply
- Provision of Medical Equipment and Furniture as per government and WHO guidelines.
- Solar Power Integration (optional) for sustainable energy use.
- Accessibility Improvements such as ramps, signage, and patient-friendly layouts.

CONSTRUCTION & RENOVATION OF HOSPITALS (PRIMARY HEALTH CENTER)

Monitoring & Evaluation:

- Regular site inspections and progress reporting
- Baseline and impact assessments (pre- and post-project)
- Patient feedback and usage data collection

○ Key Benefits:

- Improved Access to Healthcare for rural populations, reducing travel time and costs.
- Enhanced Maternal and Child Health Services, including institutional deliveries and immunizations.
- Early Diagnosis and Treatment of common diseases, reducing morbidity and mortality.
- Health Awareness & Preventive Care through community outreach and education.
- Supports National Health Mission (NHM) Goals and rural health development indicators.

3- CLEAN DRINKING WATER IS BLESSING

- **Health Benefits:** Access to clean water helps prevent waterborne diseases, which are common in areas with limited sanitation. This is vital for the overall health of students and staff.
- **Improved Concentration:** Dehydration can lead to decreased cognitive function and concentration. Providing clean water ensures that students remain hydrated, enhancing their ability to learn and perform academically.
- **Encouragement of Hygiene Practices:** Schools can serve as models for good hygiene practices. Availability of clean water encourages regular handwashing, reducing the spread of germs and illnesses.
- **Increased Attendance:** When students are healthy and able to drink clean water, school attendance improves. This leads to better educational outcomes and greater community engagement.
- **Support for Physical Activities:** Adequate hydration is essential for physical activities. Access to clean drinking water enables students to participate in sports and physical education, promoting overall well-being.
- **Community Awareness:** Schools that provide clean water can raise awareness about the importance of water quality, influencing community practices and encouraging families to seek clean water sources.

Many rural schools, even urban schools are unable to provide clean drinking water due lack of resources. This can be rectified by providing them water purifiers with storage tank .

WATER FILTER FUNCTIONS (CUSTOMISED)

PER WATER PURIFIER SET INCLUDES

- **RO 25 LPH**
- **PVC TANK**
- **PLUMBING WORK**
- **TRANSPORTATION**
- **AMC FOR DRINKING RO**
- **IRON STAND**
- **INSTALLATION**

4- BOREWELL

OBJECTIVES

- **Improve Water Accessibility:**

Install electric and solar-powered motor pumps in 25 targeted villages to enhance access to groundwater for agricultural and domestic use.

- **Promote Sustainable Energy Use:**

Encourage the adoption of renewable energy, through solar-powered pumping systems to reduce dependency on conventional electricity and diesel-powered pumps.

- **Enhance Agricultural Productivity:**

Support farmers with reliable and efficient water supply systems, leading to improved irrigation and increased crop yields.

- **Revive Traditional Water Sources:**

Identify and rejuvenate wells, ponds, and other traditional water bodies to complement the use of modern pumping systems.

- **Build Community Ownership:**

Train local residents in the operation, maintenance, and management of water pump systems to ensure long-term sustainability.

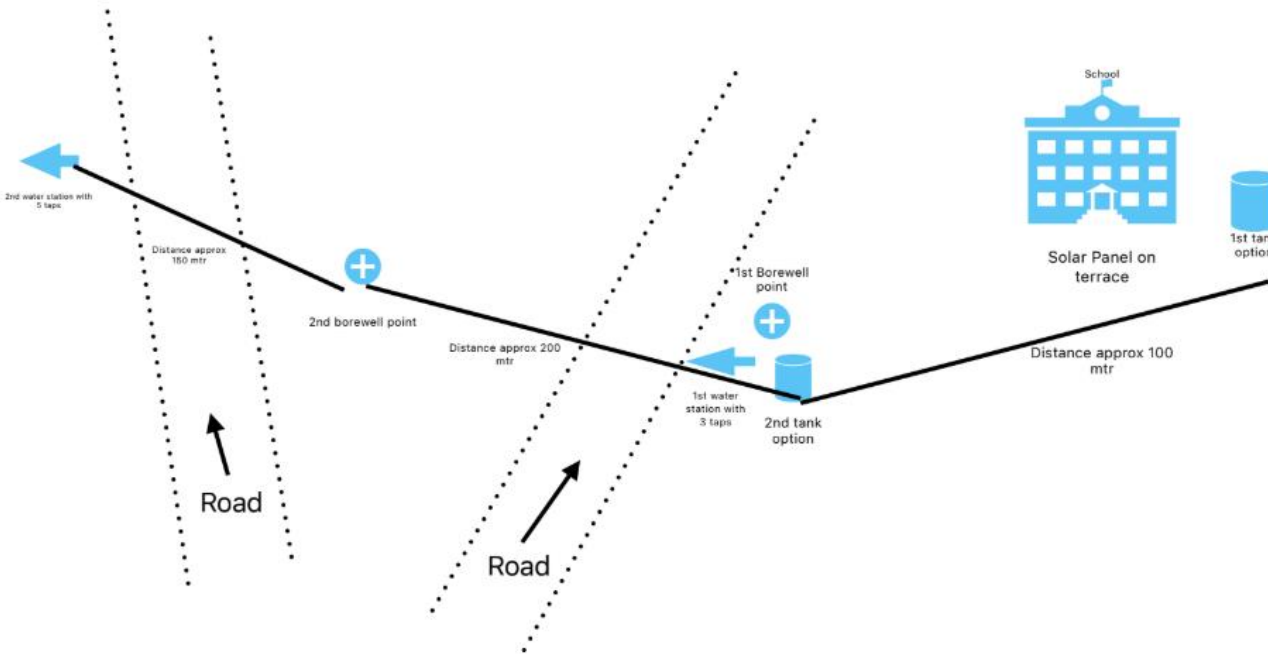

- **Raise Awareness:**

Conduct workshops and campaigns to educate villagers about water conservation, energy efficiency, and responsible water usage.

- **Monitor and Evaluate Impact:**

Establish a system to track water usage, pump performance, and community feedback to continuously improve project outcomes.

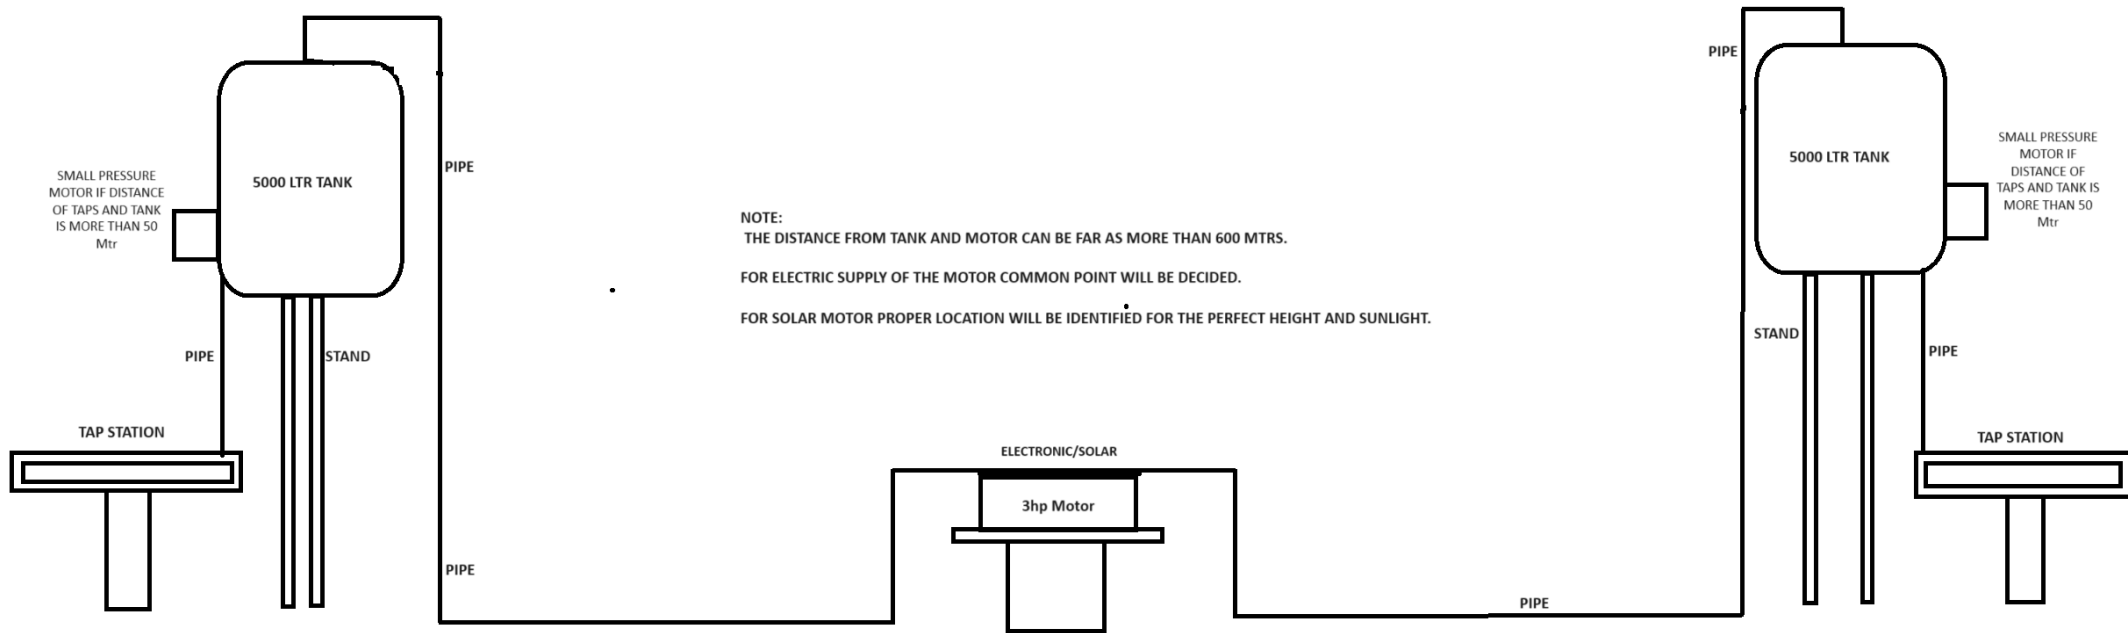

Structure (Customize)

- 3HP electric or solar motor pump in borewell.
- 2 outlet in 10000 LTRS tanks (left & right)
- Tap will be installed with tank .

BASIC DESIGN DRAFT

(Fully Customized: Tank size, Pipe Length, Etc.)

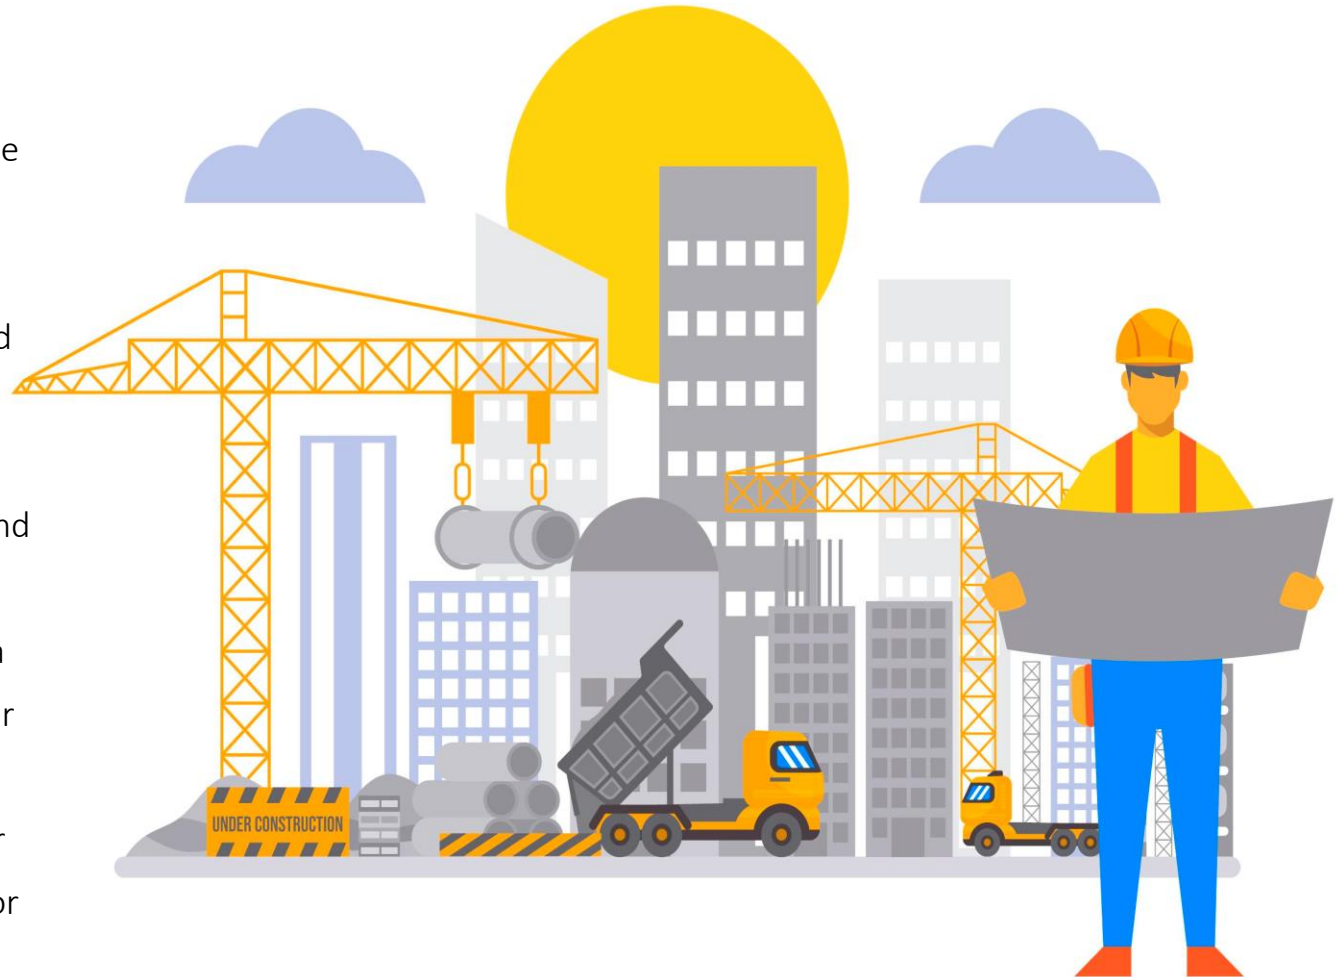

Project Activities

- Site survey and village selection.
- Procurement and installation of electric and solar pumps.
- Community mobilization and stakeholder meetings.
- Training programs for operation and upkeep.
- Awareness campaigns in schools and village centers.
- Ongoing maintenance and performance evaluation.

SUSTAINABILITY DEVELOPMENT | INFRASTRUCTURE

Infrastructure development is a key component of Corporate Social Responsibility (CSR), as it creates lasting positive impacts on communities and promotes sustainable development. Through the construction of schools, hospitals, roads, water systems, and renewable energy facilities, companies can address critical societal needs and contribute to economic and social growth.

Investing in infrastructure under CSR initiatives enhances community well-being, supports inclusive development, and aligns with global goals such as the UN Sustainable Development Goals (SDGs). It also helps companies build a strong reputation, gain social license to operate, and foster long-term stakeholder trust. By integrating sustainability into infrastructure projects, businesses not only fulfill their ethical responsibilities but also drive meaningful change for present and future generations.

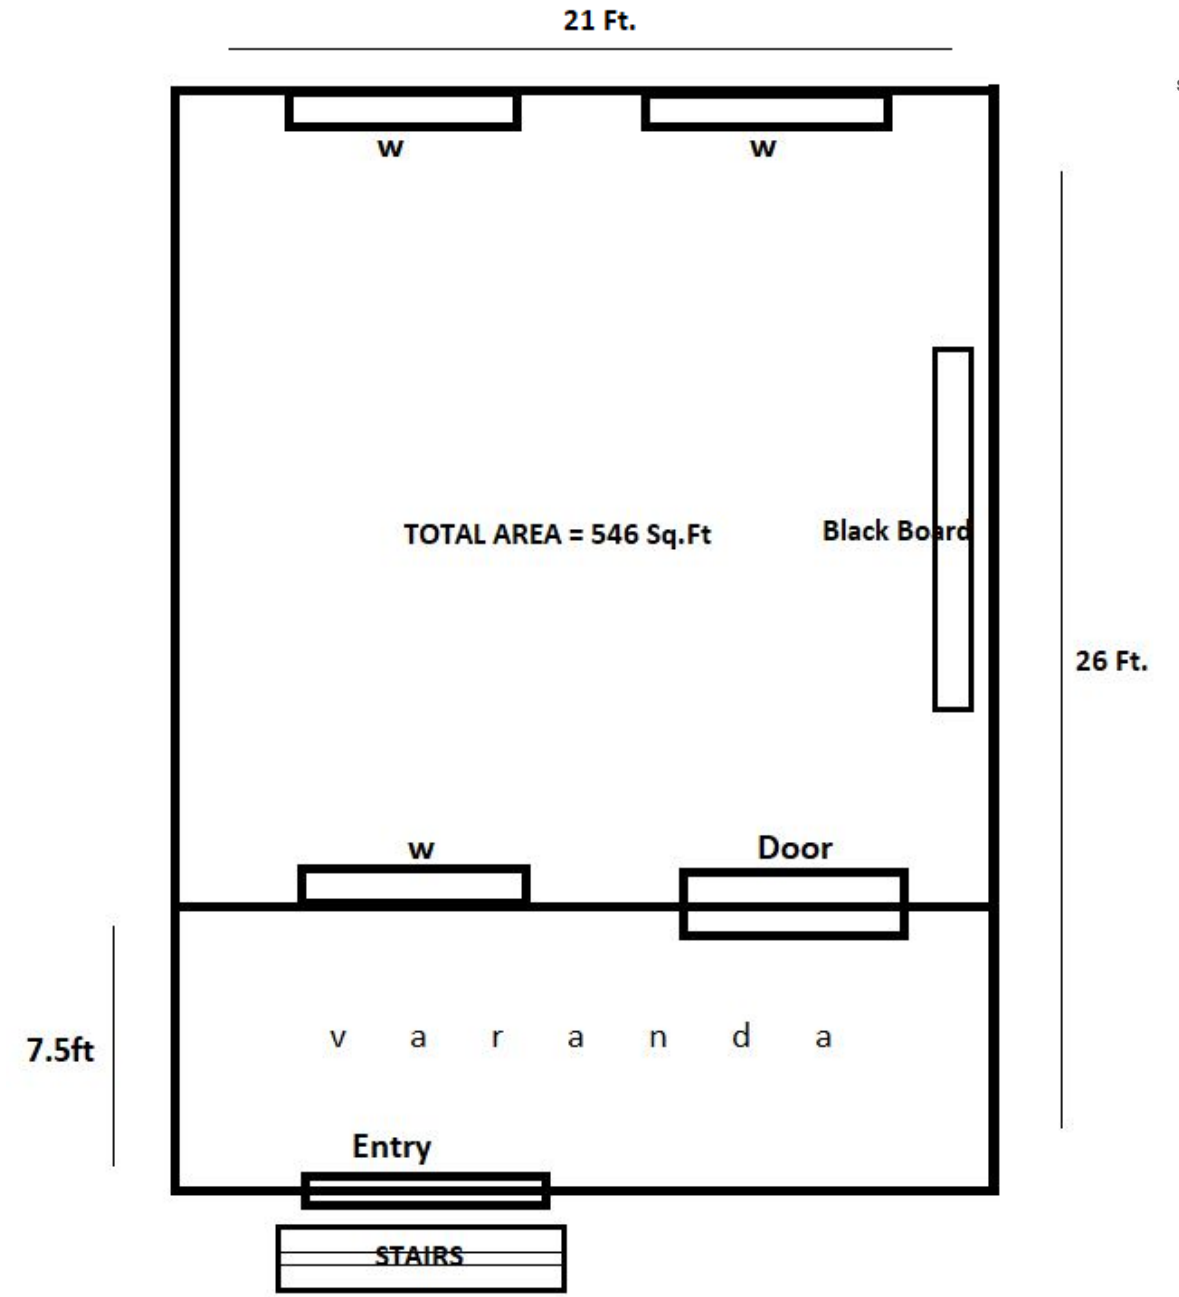

Building for better Tomorrow

STANDARD CLASSROOM

- Classrooms will be adaptable for different teaching styles and learning activities, allowing for group work, individual study, and hands-on projects.
- Creating spaces for teamwork, discussion and creativity encourages social interaction and problem-solving skills.
- Maximizing natural light and incorporating plants can improve air quality and create a more pleasant learning environment.
- Ensuring that classrooms are accessible to all students, including those with disabilities, is crucial for inclusive education.
- Use various seating arrangements to promote collaboration and comfort.
- Engaging parents and corporate members in the design process, can lead to spaces that reflect the values and needs of the community.

SAMPLE CLASSROOM

ALL SIZE & FEATURES CAN BE
CUSTOMISED

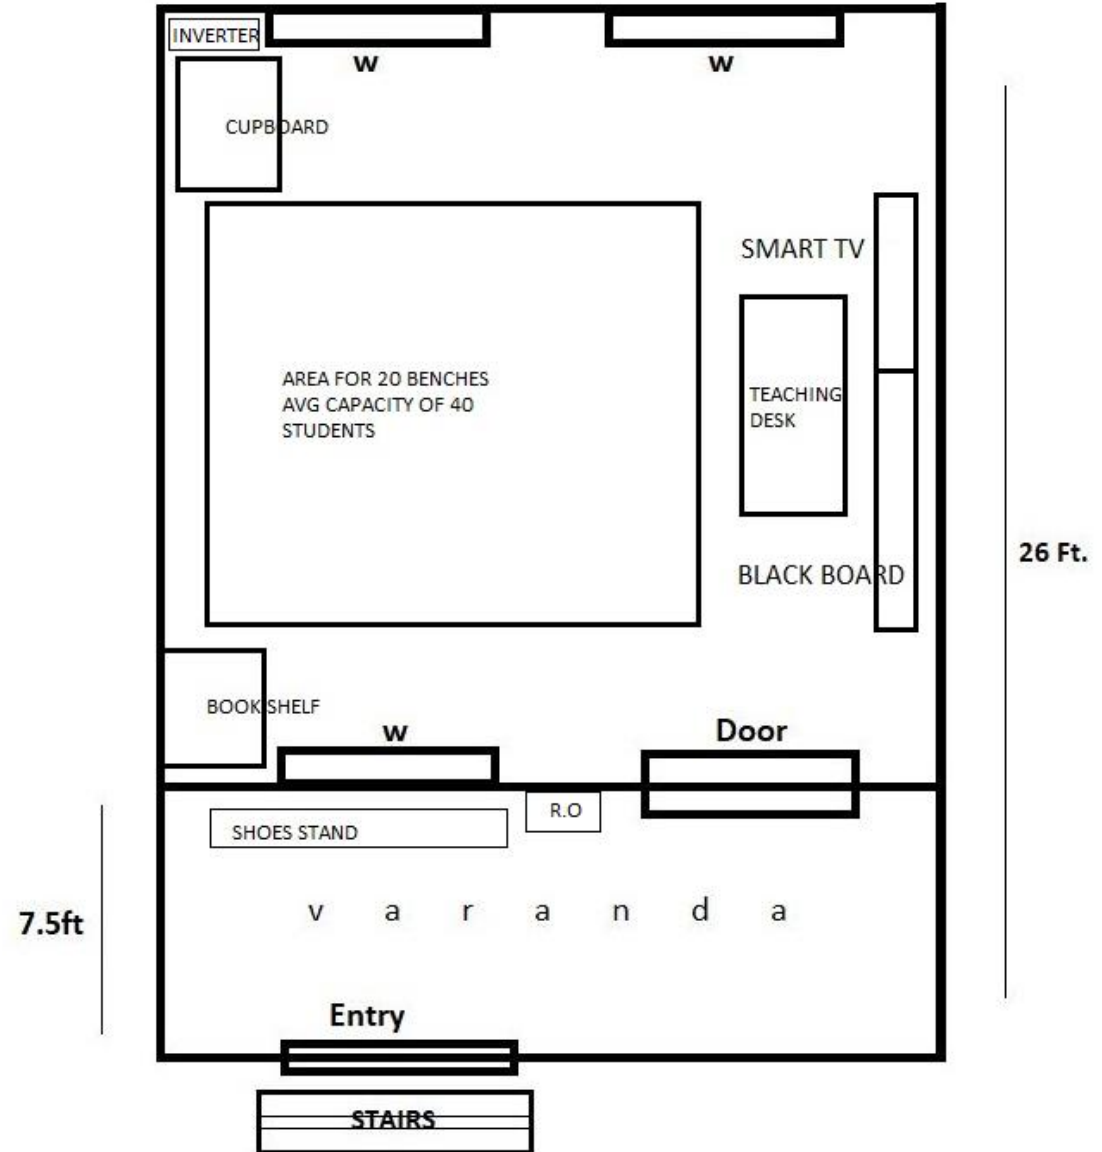

SMART CLASSROOM

- **Enhanced Engagement:** Interactive technology, such as smart boards and tablets, make lessons more dynamic and engaging, capturing students' attention more effectively.
- **Personalized Learning:** Smart classrooms can facilitate differentiated instruction, allowing educators to tailor lessons, to meet individual student needs and learning styles.
- **Access to Resources:** Students can easily access a wealth of information and educational resources online, broadening their learning opportunities beyond textbooks.
- **Collaboration:** Technology enables better collaboration among students, allowing them to work together on projects in real time, whether in-person or remotely.
- **Real-Time Feedback:** Educators can use tools, that provide instant feedback on student performance, helping them adjust their teaching strategies on the fly.
- **Improved Communication:** Smart classrooms often integrate communication tools, that allow for better interaction between teachers, students, and parents, fostering a supportive learning environment.
- **Preparation for Future Careers:** Familiarity with technology and collaborative tools, prepares students for the modern workforce where digital skills are essential.

SMART CLASSROOM

- Smart Tv With Complete Latest Digital Syllabus With Lifetime Validity
- Ro Purifier & Other Accessories
- Full Customization Available

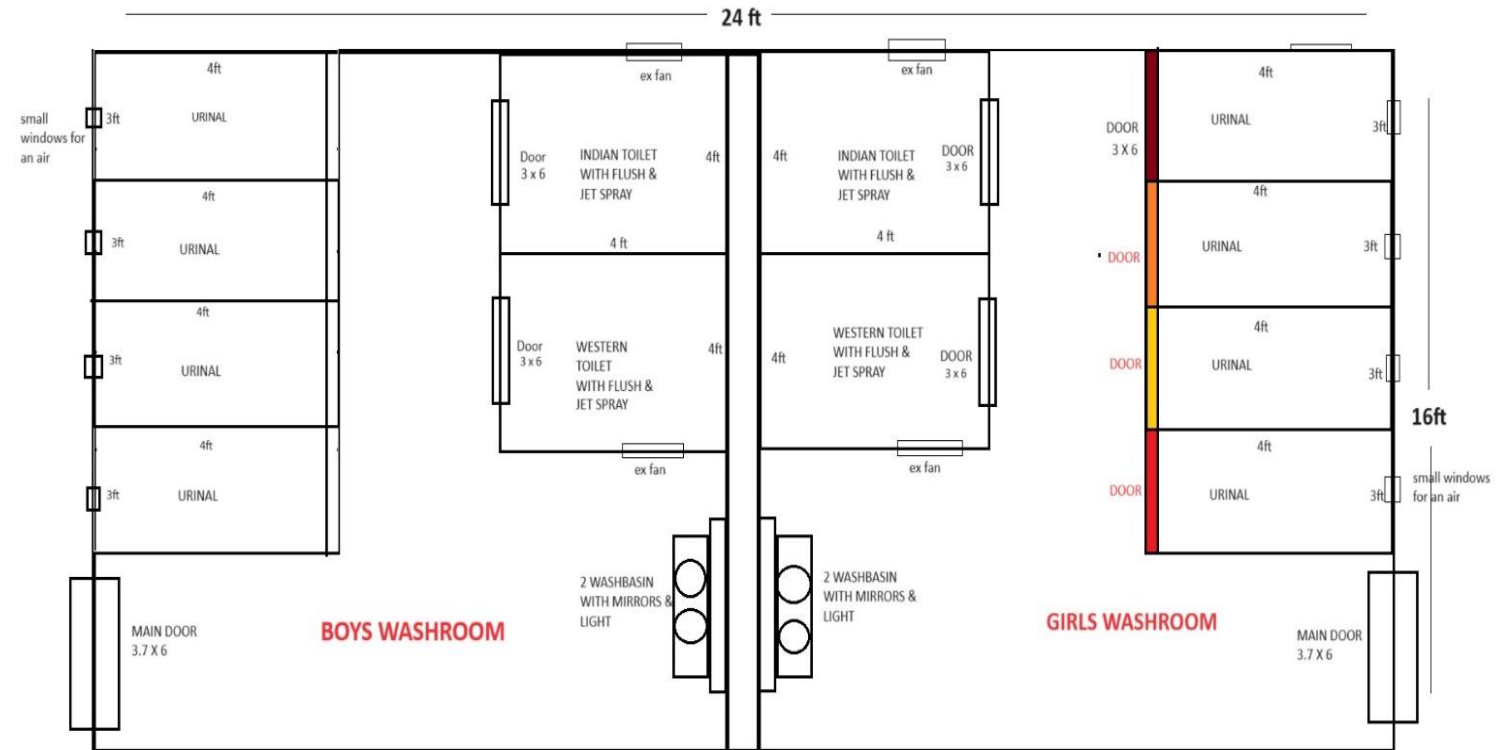

CLEANLINESS IS BASIC NEED

- **Health and Hygiene:** Access to clean and safe toilets, helps prevent the spread of diseases. Poor sanitation can lead to issues like diarrhea, which disproportionately affects children.
- **Increased Attendance:** When schools have proper sanitation facilities, parents are more likely to send their children, especially girls, who may otherwise stay home during their menstrual periods.
- **Gender Equality:** Separate toilets for boys and girls promote gender equality and ensure that girls can attend school without fear or embarrassment.
- **Educational Environment:** Clean and safe toilets contribute to a better learning environment, allowing students to focus on their education rather than health issues.
- **Awareness and Education:** Having toilets in schools raises awareness about hygiene practices among children, encouraging them to maintain good hygiene at home and in their communities

CONSTRUCTION OF TOILETS (CUSTOMISED)

DEMO STRUCTURE

- 4 URINALS 2 TOILETS (IND+WST) FOR BOTH BOYS & GIRLS
- SIZE AND STRUCTURE CAN BE CUSTOMISED

SUSTAINIBILITY DEVELOPMENT | SPORTS

Sports play a vital role in the holistic development of students. Integrating sports into the school curriculum offers numerous benefits beyond physical fitness. Here are key reasons why sports are important in schools.

1. Physical Health

- Enhances strength, flexibility, and endurance.
- Helps in maintaining a healthy weight and fighting obesity.
- Boosts immune system and overall physical well-being.

2. Mental Well-being

- Reduces stress, anxiety, and depression.
- Improves mood and mental clarity.
- Builds resilience and coping mechanisms.

3. Academic Performance

- Increases concentration and cognitive function.
- Encourages discipline and time management.
- Studies show that students who are physically active, perform better academically.

4. Social Skills

- Promotes teamwork and cooperation.
- Builds leadership qualities and communication skills.
- Encourages a sense of belonging and friendship.

5. Character Building

- Instills values like discipline, patience, and perseverance.
- Teaches how to handle success and failure with grace.
- Encourages a competitive but respectful spirit.

6. Talent Identification

- Helps in discovering and nurturing sporting talents.
- Opens up opportunities for scholarships and careers in sports.

7. Healthy Lifestyle Habits

- Encourages lifelong participation in physical activities.
- Reduces the likelihood of lifestyle diseases in adulthood.

CONCLUSION:

Sports in schools are not just about playing games—they are a foundation for building strong, healthy, and well-rounded individuals. Schools must prioritize sports as an essential part of education, not an optional activity.

GO FASTER

SETUP OF :

INDOOR GAMES

INDOOR GAME KIT (CHESS, CARROM, TABLE TENNIS ETC)

OUTDOOR GAMES

Develop playground, cricket setup, football setup, badminton setup, Volley ball setup, small play equipment etc.)

SCHOOL GYM

(Setting up an indoor portable gym with minimal equipments)

TRAINING SESSION

Arrange a training session for children who may qualify for dist. Or state level sports event.

NUTRITION TRACKING

Provide monthly nutrition kits to students, which fulfill daily vitamin intake

(healthy kit includes : protein bar, multivitamin (approved by doctor,) glucose biscuits , ETC)

NOTE : Sports setup is a subject to space availability in a school & no. of students with age differences, which may differ in the cost and nature of setup (fully customized)

SUSTAINABILITY DEVELOPMENT | FOOD

Food distribution as a social cause, plays a crucial role in addressing hunger, malnutrition and poverty in society. It reflects compassion, community responsibility, and a commitment to ensure basic human rights for all.

FIGHTS HUNGER AND MALNUTRITION

- Helps provide nutritious meals to underprivileged and vulnerable populations.
- Reduces child hunger and supports healthy development.

SUPPORTS THE HOMELESS AND LOW-INCOME FAMILIES

- Offers relief to people who cannot afford regular meals.
- Helps bridge the gap between food surplus and food scarcity.

PROMOTES SOCIAL EQUALITY

- Ensures that no one goes hungry due to economic or social status.
- Encourages inclusive growth and community support.

REDUCES FOOD WASTE

- Channels surplus or excess food from homes, hotels, and events to those in need.
- Promotes responsible consumption and sustainability.

BOOSTS COMMUNITY ENGAGEMENT

- Involves volunteers, NGOs, and organizations in meaningful service.
- Strengthens community ties and promotes empathy and giving.

EMERGENCY AND DISASTER RELIEF

- Provides timely food aid during natural disasters, pandemics, or economic crises.
- Plays a vital role in rehabilitation and recovery.

WAYS TO IMPLEMENT

- Organize regular food drives and distribution camps.
- Partner with schools, NGOs, and corporate CSR programs.
- Use mobile vans and community kitchens to reach remote or slum areas.
- Distribute ration kits with essential food items for long-term support.

RATION KIT

(CUSTOMISABLE)

- STAPLES
- OIL
- SALT
- GLUCOSE BISCUITS
- RICE/WHEAT
- AATA
- SUGER/JAGGERY
- MASALAS ETC

PERSONAL HYGIENE & NUTRITIONAL KIT

NUTRITION KIT (CUSTOMISABLE)

- PROTEIN BAR
- BISCUITS
- MULTIVITAMIN SYRUP
- COMB
- NAIL CUTTER
- HAIR OIL
- SOAP

CORPORATE SERVICES

CORPORATE SERVICES | GIFTING

Corporate gifting is a powerful way to strengthen business relationships, appreciate employees, and leave a lasting impression on clients. Our comprehensive Corporate Gifting Services are tailored to suit your brand values, occasions, and budgets.

- 🎁 **Customized Gift Hampers**
Curated hampers for festivals, achievements, or milestones — featuring premium products like gourmet treats, eco-friendly items, branded merchandise, and more.
- 🛍️ **Branded Merchandise**
Personalized office stationery, apparel, tech gadgets, and utility items with your company's logo and message.
- 📁 **Client Appreciation Gifts**
Thoughtful, professional gifts to enhance client loyalty and show gratitude for partnerships.
- 🌱 **Sustainable Gifting**
Eco-conscious gifts like seed kits, reusable goods, and organic products to align with CSR and green initiatives.
- 🎉 **Festival & Event Gifting**
Specialized collections for Diwali, New Year, Employee Day, and corporate anniversaries.

CORPORATE SERVICES | ELECTRONICS

Our corporate electronic equipments & machines supply services, specializes in the procurement and delivery of high-quality electronic devices, machinery, and technical systems tailored to meet the diverse needs of corporate environments. From office automation tools to specialized industrial machinery, we ensure reliable, cost-effective, and timely solutions for businesses across sectors.

- **Office Electronics:** Computers, printers, scanners, telecommunication systems, and projectors.
- **Industrial Equipment:** Testing devices, automation units, and precision machinery for production and R&D.
- **Maintenance & AMC:** Ongoing support, installation, and annual maintenance contracts.
- **Customized Solutions:** Tailored sourcing for specific corporate requirements and tech upgrades.

CORPORATE SERVICES | STATIONERY

Office stationery supplies are the backbone of everyday workplace operations. From basic writing tools to filing and organizational materials, these items ensure a productive, efficient and well-structured environment.

CUSTOMISED ZONE

- Backpack
- Messenger bag
- Jerseys
- Trousers
- Mugs
- Bottles
- Stationery etc.

Writing Tools

- Ball Pens, Gel Pens, Pencils
- Highlighters, Markers, Correction Pens

Paper Products

- A4 Copy Paper, Notebooks, Sticky Notes
- Envelopes, Legal Pads, Diaries

Filing & Organization

- Files & Folders, Binders, Sheet Protectors
- Clipboards, Expanding Folders
